**Department of Public Works Overnight Snow Removal Operation
Has Been Completed in the 5-Day Parking Exception Area**

The City of Milwaukee Department of Public Works (DPW) has completed its overnight snow removal operation in the 5-Day Parking Exception Area ("Area").

Overnight parking on both sides of the street is again permitted on some streets in the Area.

Not all streets in the AREA have two-sided overnight parking, however. Residents should read the winter parking signs on their block or in their neighborhood for instructions – *these signs take precedence*.

As not all winter parking rules are posted, residents should also check for parking restrictions on the DPW website at www.city.milwaukee.gov/mpw or call (414) 286-CITY (-2489) for information.

Residents are encouraged to sign up to receive a **Snow Mobile Winter Text Alert** message and/or an **E-Notify email message** which serve to alert them that a DPW operation has been called, and that all vehicles must be moved accordingly.

To sign up for either or both alerts, go to www.city.milwaukee.gov/mpw or call (414) 286-CITY for assistance.

CONTACTS: Call Ald. Nik Kovac for information on the 5-Day Parking Exception Area: (414) 286-3447
